

CONJECTURE

Stroogle.xyz

Is she upset?

Asleep?

Same threat level

Hey Cookie
everything ok?

No? Maybe?
I'm confused...
how to ...choose?
Conjecture?

How to
take a
decision?

You could talk
with someone
you trust

Or watch
a video
about it

Or! Forget
all that nonsense

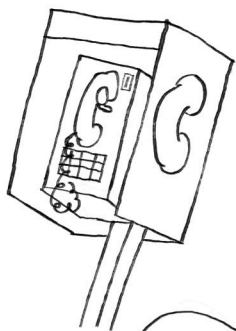

...and do like our elders did...

The Elders knew how things worked

Hunted totems
at night

Presented
offerings

Thriller!!

Spoke
the right
words

An a horned
cupboard would
glow

Possessing
their bodies
for the night

WOOSH!

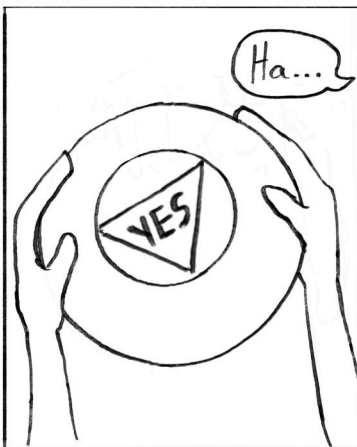

An eight ball?

a "Magic" eight ball

I lied to them...

"Just here until I buy my videogame"

I said

Still...

they took me as a friend

Should I tell them the truth?

Should I...

Cookie?

You're taking too long!!

Agh!
Ok!
Here!

Are you serious?

What in the Matrix?

What?

What does it say?
